

At The Muddler, we take food safety seriously and strive to accommodate all dietary needs. However, due to the nature of our Pan-Asian menu and kitchen environment, we use a wide range of ingredients including peanuts, tree nuts, sesame, soy, gluten, shellfish, and other allergens.

While every effort is made to reduce the risk of crosscontamination, we cannot guarantee that any dish is completely free from allergens. If you have a food allergy or intolerance, please speak to a member of our team before ordering.
